## Parent Users Guide

Parents,

Please read this important information so you can access your students PowerSchool information. During the summer we have installed the newest Version 7.11 to PowerSchool so parents/guardians will now have the ability to create an account that will allow you to access all your students from a SINGLE LOGIN. You will also be able to create your own User Names and Passwords. **If you do not have access codes, please contact Your Child's Building Secretary for assistance.**

You will need to go to the PowerSchool login page: <https://ps-iowa-falls.gwaea.org/public/home.html> or click onto the PowerSchool link on the schools website. You will see the following screen:

The screenshot shows two main sections: 'Login' and 'Create an Account'. The 'Login' section has fields for 'User Name' and 'Password', a 'Submit' button, and a link for 'Having trouble logging in?'. The 'Create an Account' section has a 'Create Account' button and a paragraph of text explaining the account creation process, with a link for 'Learn more'.

1. Click the Create Account button

2. The screen below will appear

The form is titled 'Create Parent/Guardian Account' and is divided into two main sections: 'Create Parent/Guardian Account' and 'Link Students to Account'. The first section has fields for 'First Name' (Joshua), 'Last Name' (Toll), 'Email' (jtoll@mail.com), 'Desired User Name' (jtoll), 'Password' (masked with dots), and 'Re-enter Password' (masked with dots). There is a strength indicator for the password, showing it is 'Strong'. The second section, 'Link Students to Account', has a heading 'Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent/Guardian Account'. It contains a table with columns for 'Student Name', 'Access ID', 'Access Password', and 'Relationship'. The first row is filled with 'Alex Toll', '2664', '\*\*\*\*', and 'Father, natural/adoptive'. The remaining rows are empty with '-- Choose' in the relationship column. There is an 'enter' button at the bottom.

2.			-- Choose
3.			-- Choose
4.			-- Choose
5.			-- Choose
6.			-- Choose
7.			-- Choose

This is where you will setup access to ALL your students.

- Enter an E-Mail address – Note: The e-mail address MUST be unique. If Parent/Guardians share the same e-mail address, you should only set up one parent access account.
- User Name (No apostrophe's).
- Password (No apostrophe's and it must be at least six characters)
- Enter the Name of each Student you wish to associate with.

Enter the Access ID and Access Password for each student.

Select the relationship you are to the student.

**NOTE:** Should you enter something incorrectly, when you hit Enter, the Edit checks will catch the error; but unfortunately, also blank out many of the fields you have entered. You must re-enter the information in it's entirety before the record is created.

3. Click Enter when you have completed this link to all of your students.

4. Assuming you are successful, you will receive this message.

Congratulations! Your new Parent/Guardian Account has been created. Enter your Username and Password to start using your new account.
